Dear Potential Volunteer Coach;

Rio Vista Middle School is gearing up for 2014-2015 Athletic season and we are always looking for volunteer coaches to help our teams have a successful season. This year our Boys/Girls athletic teams will start their second season with athletic programs. We are looking to build upon a great first year. Teams can practice as often as the coach desires and can start after 3:45 p.m. and end before 5:30 p.m. Practices can be held outside or in the gym depending on availability. Practice times are not set until you let me know what time and day(s) works best for you.

Thank you for your interest, your volunteer application will be reviewed. In addition to this application, a background check will be conducted by the Rio School District. 1
