

Rio School District is committed to providing students with the best educational opportunities possible in preparing them for success in the 21st Century. Consistent with this vision is providing all students with the technology tools they need. Your student has been selected to participate in a pilot program that provides them with a laptop computer that they can take home and use for their schoolwork. To participate in this pilot, it is important that students understand their responsibilities regarding the use and care of their school-provided laptop.

Student Name _____ **Student #** _____

Please read and initial the following statements, indicating that you understand and agree to the following terms and conditions:

I understand that I am receiving the laptop listed above, in a protective case and with an included power adapter to be used for school-related activities. I understand that if a problem arises, home technical support is not available and I will return the laptop to school and request help.

It is my responsibility to care for this device and to use it appropriately, safely, and respectfully. I will take all necessary precautions to make sure it is kept safe from harm and theft and I will keep it locked up and secure when off campus. If the device is damaged or lost, I understand that the value of the laptop, case and charger is \$325 and may be responsible for the cost of repairing or replacing the device.

I agree to follow the District's policies for acceptable use of technology while using this device both inside and outside of the school day. I also agree to follow the District's policies for acceptable behavior and conduct.
